

COVID 19 INFO

RISK ASSESSMENT FORM

Dear Members of Elevation Dance Studios,

Detailed below is all of the information and changes you will need to know regarding our dance classes during the COVID-19 Pandemic. Please ensure you have read and understood all of the below and please print, sign and bring this completed form with you to your first class. If you have any queries regarding any of the below please do not hesitate to contact me.

- ❖ If your child feels unwell, please stay at home and do not attend any classes until symptoms are gone. If I myself feel unwell, classes will be postponed and any fees will be transferred over to the new term.
- ❖ All dancers **MUST** be pre-booked into classes and a register is taken at the beginning of each class to confirm attendance and assist with track and trace.
- ❖ To confirm your place, fees must be paid after your free trial session/before your first class otherwise no entry to classes will be allowed. Term fees to be paid in advance of each term to confirm place in class.
- ❖ Parents are to update any contact details we have on file to assist with track and trace.
- ❖ Class sizes will be reduced to a maximum of 15 dancers plus myself until the government roadmap ends or on 21st June 2021 if the roadmap stays the same.
- ❖ Dancers must arrive on time to classes as there will be no waiting area available.
- ❖ Dancers must line up outside of the hall at least 5 minutes before their class and socially distance until instructed to enter the studio to help to minimise contact.
- ❖ An In & out system will be in place for each class to avoid any contact. Current class will line up and be let out in turn. Next class can then enter one at a time once previous class has left.
- ❖ Parents are to drop their child/children off at the door and then leave.
- ❖ No parents will be allowed in the studio at any time & our waiting areas are currently closed until further notice.
- ❖ BACS payments for classes will be preferred to minimise contact. Cash payments only accepted if correct amount is placed in an envelope marked with child's name and amount paid.
- ❖ Class times will be reduced by 5-10 mins to allow time for sanitising and change over between classes. Parents to wait outside the hall to collect their child/children.
- ❖ Temperature checks will be taken on arrival and all dancers are to use the hand sanitiser provided before entering the studio.
- ❖ Twinkle toes classes are to arrive in tap shoes to ensure no contact is needed during shoe changes.
- ❖ All dancers to arrive already dressed for class – no changing facilities available.
- ❖ Each dancer will have a chair to put dance bags on – which will then be sanitised between classes.
- ❖ Dancers are to keep belongings brought into class to a minimal – just dance bag containing shoes and a water bottle (unfortunately we will be unable to give out cups of water so please ensure your child has a drink with them)
- ❖ Dancers will be socially distanced where possible.
- ❖ Each dancer will have a floor spot to aid in social distancing.
- ❖ Face masks are not compulsory for dancers but may be worn if required.
- ❖ There will currently be no shared objects in classes i.e props. Ballet barre/chairs to be sanitised after each use.
- ❖ Hand washing/sanitising will be heavily encouraged (especially after shoe changes)
- ❖ All areas required will be sanitised in-between each class.
- ❖ All areas of the hall we use will be clean and sanitised on arrival and exiting.
- ❖ Where possible, door and windows may be open to assist with ventilation.
- ❖ We will be constantly monitoring and reviewing our safety measures inline with the current government advice and guidelines.

By signing this form, I agree that I have read and understood all of the above points.
